Humberside BikeSafe team

invites all motorcyclists to one of their workshop days. On the day your current skills will be assessed and you will be offered advice to help make your riding safer and more enjoyable, as well as first on the scene first aid advice.

Workshop Sessions

The workshop days are from 8.30am – 3.30pm and is split between a classroom session and an on the road assessment ride. They cost £35 per person and places are limited to 15 riders a session.
